JANUARY MEETING

Afro-American Historical & Genealogical Society New England Chapter

Our goal is to bring people together to promote genealogical research of Afro-American heritage on all levels – from beginner to professional.

Featured Presentation:

Using DNA to Break Through a Genealogical Brick Wall

Featured Speaker:

Charles Martin

Join us to hear this AAHGS-NE member discuss DNA testing and how it might help with genealogical research. The presentation will cover why the testing decision is complicated.

This chapter was established under the parent organization:
